NATIONAL CONVENTION

Sept. 1 to 4, 2010..... Louisville, KY

PRESIDENT'S MESSAGE

Hi Ladies, the last several weeks have gone by in a whirlwind to say the least. Is it a "sign of the times" or just because we are trying to cram so much into the allotted hours per day. I fear it is the latter — but that is what keeps us on our toes.

Charlotte Whetstone and Cindy Sims have been working on Block Kids Contest which is Saturday, February 20th at Spirit Square – Duke Energy Theater. I hope you have been considering what you could do to help make this a wonderful event for the kids. If you have never participated now is the time. You will be amazed at how creative the kids are. We are in need of goodie items for the kids (snacks, candy, note pads, pens, pencils, erasers, etc. - anything the kids would enjoy and will fit in a paint can). Bring your items to the meeting Tuesday if you can help. Let Charlotte, Cindy, or myself know if you can assist the day of event. It would be very much appreciated. More will be shared at the membership meeting Tuesday.

WIC week activities are still being organized. If you have something you think our members would enjoy please let me know.

The 2010 Annual Forum Steering Committee is still hard at working pulling things together. Many have committed to be in charge of different parts of the planning and have starting getting preparations underway. We will have an update at the membership meeting.

Dove and Phyllis were able to attend the Greenville, SC Chapter Membership Drive in January and reported that it was very productive. They came back with some ideas to share.

Hate to sound like a broken record, but, I've been receiving bounce back of emails due to incorrect email addresses and some phone numbers. Please go to www.nawic.org and update your membership information. If you do not have access to the internet, contact Sandy Fite at (800) 552-3506. Information will not be accepted from anyone other than you.

Have a great weekend and stay warm. See you on Tuesday.

CIEC

As a CIEC member CPCC is requesting help with their Co-op program if you can help please

Contact Steve Corriher at 704-330-4421 or Linda Moorer at 704-330-4419.

Without the ability to Co-Op some of the students may not graduate on time.

Hammer house update, contract is due again January 2010. Sponsorships are hard in this economy so we may not continue this contract and there are thoughts of doing something similar but on their own. Still have some funds available to continue for a while.

Career Days: NCDOT, ABC, and CPCC has been confirmed for April 20-22 will probably be held at Concord Arena. 1500 students from CMS, Gaston and surrounding counties usually take part in this. More information to follow, this is a great time to work with students and promote the industry. Please mark your calendars to help with this event.

CAD/Design Myra Carson has been diligent in contacting schools for participation. We have received the following application for the cad/design.
15 from North Mecklenburg
9 from Myers Park
1 from Highland School of Technology

Block Kids is scheduled for February 20, 2010 and will be at Duke Energy. This is a great event and we hope that everyone can get involved. Please save this date and plan to help.

Community Service/Benefit. Don't forget to bring those old ink cartridges and old phones. Meals on Wheels is a great way to give back to the community.

We hope to get involved with a Construction Industry project with Joanne Tate, Dean of Student Life with **Trinity Episcopal School** who is having a WOW week at the school starting on **Tuesday 2/16/ - 2/19th** - 750 East 9th Street.

They are wanting an all **FEMALE** crew to build a 150 ft. long boardwalk from the yellow house to the main building of their school. They will do the design, engineering, permitting, budgeting, purchasing and construction of the boardwalk.

They need women to help with the actual construction.....show them how to do this project. School **hours are 8:00 AM till 3:00 PM**, but they will not be working on every hour of each day as they will have a couple of off site tours during that week.

If you can help, let's try to get involved with this project.

GOODY BAGS

NEED GOODY BAGS!!

Please remember to bring your items for the "goody bags" to either this meeting or March's meeting, for our Spring Forum. We'll be making up about 130 bags and need some items. (Ideas: these items can be logo-items, candy, pads/pencils/pens/key-chains...to name a few (from your Company, or customers or vendors) Thanks!

CRYSTAL VISION AND VISION OF EXCELLENCE AWARDS

Immortalize Your Mentor

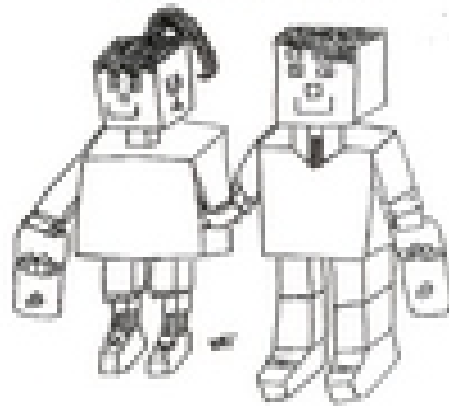

Do you know someone who has supported the role of women in the construction industry? Or someone who is a role model for women in the industry? How about someone who exemplifies that "WE CAN DO IT" attitude? If so, consider nominating that person for your region's Vision of Excellence Awards and/or the national Crystal Vision Awards.

The regional **Vision of Excellence Awards** mirror the national **Crystal Vision Awards**, and winners will be recognized at Annual Forums in the spring. In addition, winners will be automatically nominated for the national **Crystal Vision Awards**. The nomination deadline for the Visions of Excellence Awards is Feb. 26, 2010. Nomination forms are available at www.nawic.org/ > About NAWIC > Industry Awards.

Applications for the [2010 Crystal Vision Awards Program](#) are now available at NAWIC Online. The awards celebrate the achievements of individuals with a clear vision for women in construction. NAWIC invites you to reach out to the entire construction industry by nominating individuals who exemplify the program's mission. Please consider outstanding NAWIC members and nonmembers you can nominate for these prestigious awards. The winners will be honored at NAWIC's 55th Annual Meeting and Convention in Louisville, Ky., Sept. 1-4, 2010. Nominations must be received at the NAWIC Office by March 18, 2010.
