

## National Association Of Women in Construction Region 11—Registration Forum

### **Summer Leadership Symposium Leadership Training & Team Building July 9-10, 2010**

To: Members of Region 11

From: Dove Sifers-Putman  
Region 11 Director

Make plans now to attend our Summer Leadership Symposium. This training session is designed for Chapter Officers, Directors and Committee Chairs. It is also open to any member who is thinking about taking on such a responsibility, or one who just wants to see what to expect would they see themselves in one of these roles in the future.

We will review Chapter Office responsibilities, Chapter Board of Directors, responsibilities and the role of the Committee Chairs. We will have team building, leadership workshops, strategic planning and more..

Registration is 8:00 to 8:30 AM on Saturday, July 10, 2010 and training Session will begin at 8:30 AM. Friday, July 9, 2010 is usually the member's traveling day to the conference location, so there is no official business. However, I encourage you to use this time as a great opportunity for your chapter officers/directors/members to have a mini retreat and a great time for bonding among your members. Take advantage of this time together. You could also get together with other chapters, where the exchanging of ideas and camaraderie will benefit each of you.

You are responsible for making your own room reservations. Rooms are \$79.00 and they will hold this rate until June 28, 2010. A continental breakfast is included in your room fee and it is available in the hotel dining area. We will break for lunch and you are on your own. There are several restaurants close by to have lunch.

Registration fee of \$10 per person.

See you in Burlington, NC.
